Lighter than air

Starting less than 1kg, the HP Elite Dragonfly G2 provides mobility beyond expectation in an exquisitely crafted x360 touch laptop. Striking finishes and accents highlight the design that incorporates recycled materials including ocean-bound plastics.

Make powerful connections

Connect from almost anywhere with optional 5G on the incredibly light, compact, and flexible HP Elite Dragonfly G2. Collaborate in any environment with crisp, clear Audio by Bang & Olufsen and an ultra bright display.

Work with peace of mind

Security features from HP work together to create an always-on, always-acting, resilient defence. From the BIOS to the browser, above and below the OS, these constantly evolving solutions help protect your PC from threats.
